WESTERN AFGHAN HOUND CLUB

SPECIAL AWARD CLASSES

J 1(0)

1. Yansukhim's Candy Floss. Feminine head and expression, acted up a little for her handler, good bend of stifle and rear drive, just didn't have the forward extension and would prefer more muscle.

PG 4(1)

1. Hariri Ebn Mahsati von Haussman (imp CHL). Male, moved a bit too quickly but covered ground, good croup, head and expression, with pleasing overall balance, moved well in profile.

2. Gezancol Fallen From Grace. Could swap places, really liked this bitch, just lacking the condition of 1 but nice overall balance and covered ground well in profile.

3. Shimalma Campari Goes to Ifmaraf. Lovely head and expression, just a little lack lustre on the move but could be shown to better advantage.

0 4(1)

1. Sitana Aag Toofan. Male, nicely conditioned, good overall balance with good croup and moved really well in profile, pleasing head and expression.

2. Syrdarya Darjeeling Chai of Simkhan. Just lacked the condition of 1, I also preferred the head of 1 but again good reach in profile, just would prefer a little tidier going away.

3. Shimalma Midnight Liaison. Veteran bitch, very feminine but pleasing overall balance, not so enthusiastic but moved nicely in profile.
